

Sacred Heart News

Friday 26th September

Headteacher's Welcome

Dear Parents and Carers,

We have well and truly settled back into routine and the children have been giving their all in lessons, trying out for various teams and enjoying some outings over the past two weeks. The clubs have been very busy with nearly half the school remaining on a Thursday!

Thank you to everyone for coming along to the MacMillan Coffee morning today. It was lovely to welcome new parents (who have excellent baking skills), former colleagues and parishioners to school for this annual event. Thank you to our PTA for supporting with the event.

School Nursery and main school tours are ongoing this term. Thank you for recommending school to friends locally. It has been wonderful making connections as people come around.

A special mention to Nadia, one of our Year 4 mums, who is jumping out of a plane at 12,000 ft tomorrow. A gofundme page has been set up and she is kindly donating all of the money to the school. If you are able to donate then that would be amazing. Thank you very much from everyone at school. All proceeds will go towards the children having extra resources and curriculum experiences.

We will be thinking of you!!!! The page will remain open for a few more days.

<https://gofund.me/e7d2ce579>

Have a lovely weekend.

Mrs Brenda Green

Highlights of the Week

Year 4 have started their topic on Mosaics looking at their historic use and how this has evolved over time.

Tuesday 14th October - Boys Football

Thursday 16th October - King's U10 Football Tournament

Thursday 16th October - Year 6 to Gunnersbury

Monday 27th October - Friday 31st October - Half Term

Stars of the Week

Reception Adora for her care and time given to practising writing her name focusing on correct letter formation. Well done!

Charlie for his amazing attitude towards phonics. I was very proud to hear that he writes the letters for the sounds we have learnt already at home.

Year 1 Reign for showing a fantastic positive attitude towards his learning. Well done Reign!

Ella for showing a positive, can-do attitude towards everything this week. Well done Ella!

Year 2 Noah for super listening, following instructions carefully and fantastic work in Maths this week. What a star!

Josephine for her wonderful positive attitude towards her learning, approaching everything with a smile and always trying her best.

Year 3 Luci for her lovely descriptive piece on the cave setting in 'Stone Age Boy'.

Hughie for his fantastic effort across the curriculum, and his determination with his reading.

Year 4 Ellis for his excellent focus and determination across the curriculum. Ellis has contributed some great ideas to class discussions.

Eloise for being a supportive learning partner and for taking part in discussions with enthusiasm.

Year 5 Sammy for brilliant answering, work and effort this week, especially in Maths.

Isaac L for excellent effort in his learning! He has used excellent vocabulary in his diary of an Anglo Saxon warrior!

Year 6 Russell for exceptional presentation in Maths, showing clear methods and exceptional focus.

Rowen for his contributions to class discussion including clear explanations of his methods in Maths. Brilliant!

Other News

Year 5 to Sky Studios

Year 5 had a brilliant time at SKY Studios as our first trip of the year! We were allowed to tour the whole of the studios and watch the live filming of SKY Sports! We also saw Tom Holland's real Spiderman costume from the Marvel films. We then used the studio equipment to create a SKY news report based upon the importance of saving our environment and stopping climate change. We have learnt so much about the importance of caring for God's creation and how we could all something to improve our world.

Missio Mass

On Thursday our chaplains and our altar servers attended the Mission Together Mass held at St. Theodore's of Canterbury in Hampton. The celebrant was Bishop Jim Curry, Fr. Stephen from our parish and Sr. Silvana from Caritas Westminster joined us too. The children had a great time and enjoyed being part of our Jubilee of Hope Celebration as a thank you for all our missionary work.

MacMillan Coffee morning

It was a lovely gathering in school for our Macmillan Coffee Morning and we welcomed the youngest of our school community at only 8 days old. Thanks to Charlie from the school nursing team and Eleni from the Mental Health Service Team who shared information on the services that they provide. Many thanks to the PTA for organising and those who came, including former staff, parents and parishioners.

Sacred Heart Prayer

At assembly today, we spoke about how God want us to love and care for others.

May Jesus bless us with kind hearts,
open eyes,
and helping hands.

Amen.

Luke 16:19-31

AFC Kingston Youth – Girls' Football Sessions

AFC Kingston Youth has recently launched a **girls-only weekly football class**, designed for **7-10-year-old girls** who would like to develop their football skills in a fun, friendly, and supportive environment.

Session details:

 **When?** Wednesdays, 6:00–7:00 PM

 **Where?** Kingsmeadow (8-a-side astro turf pitches with floodlights)

 **Coaches?** FA-qualified, experienced, and enthusiastic

 **Cost?** Approximately £8 per session (paid monthly)

Playing in an all-girls environment is a fantastic way for young players to **build confidence, develop skills, and make new friends**. With the warmer weather approaching, now is the perfect time to give it a try!

 **Location:** Weir Archer Athletics & Fitness Centre, 442a Kingston Road, Kingston, KT1 3PB

If you would be happy to share this opportunity with parents or include it in your school newsletter, I would greatly appreciate it.

For further details, reach out to Heather at **+44 7717 047453**.

Free Saturday coding and digital making sessions at CoderDojo Kingston University

Youngsters aged 7 - 17 at all levels of experience, from beginner to expert, can create video games, web pages, build robots or explore digital electronics at sessions hosted in Kingston University's cool STEM Outreach suite. We offer activities using Scratch, Python, Unity and Raspberry Pi computers and microcontrollers.

Sessions are led by technology professionals, KU computer science staff and students. Kids under 13 must be accompanied by a parent or carer.

Bring a laptop if you have one, or you can book one of ours.

Sessions are held one Saturday afternoon each month during school term, from 2:00 – 4:30pm, with booking through Eventbrite.

Our calendar of sessions for 2025/26:

- 11 October 2025

- 15 November 2025
- 13 December 2025
- 10 January 2026
- 7 February 2026
- 14 March 2026
- 16 May 2026
- 13 June 2026
