Headteacher's Welcome

Dear Parents and Carers,

Thank You for Your Engagement

Thank you to everyone who attended our recent meetings about the new Teaching and Learning Model for Foundation Subjects, which will be introduced in September 2026. Your questions and feedback were invaluable, and it was wonderful to see so many of you taking an active interest in your children's learning. If you were unable to attend but would like to know more, please do talk to me.

Sacred Heart Feast Day Celebrations

What a joyful way to celebrate our School Feast Day! Year 3 led us beautifully in Mass at Sacred Heart Church this morning, celebrated by Fr Stephen. It was wonderful to see so many parents and carers joining us – your presence made the occasion truly special for the children. Back at school, we enjoyed a treat and extended morning playtime to mark this important day in our school calendar.

Special Invitation: Fr Stephen has invited all our school families to a special Feast Day Mass this Sunday at 10am at Sacred Heart Parish. Refreshments will be served afterwards – we hope to see you there!

Well Done to Our Year 1 and Year 4 Pupils

A huge well done to our Year 1 children who completed their Phonics Screening Check this week with great confidence, and to Year 4 for completing their Multiplication Tables Check. Every child gave their very best effort.

Relationships and Sex Education (RSE) Lessons

As a reminder, RSE lessons are continuing this term. These lessons may bring up questions and conversations not only at school but also at home that you will need to support. We have sent each year group a letter detailing the content being covered, along with access to the parent portal where you can view the materials we are using.

If you would like to discuss the curriculum content or have any questions about what is being taught, please do get in touch – we are always happy to talk through any concerns and support you in having these important conversations with your child at home.

Emails from teachers

It would appear emails from our individual school emails are once again ending up in spam. This is because of security of the system LGFL inform us. Please can you check your spam and move the emails into your inbox and that should resolve things. You should be successfully receiving emails from the School Office System.

Crazy Hair Day

The School Council would like to invite everyone to take part in another fundraising event on Thursday 18th June. This time, they are encouraging everyone to get creative for Crazy Hair Day! A donation of £1 is requested to participate. We greatly appreciate your support and cannot wait to see everyone's wonderful creations.

Have a lovely weekend.

Other News

Reception to the Wetlands Centre

The children in Reception enjoyed a trip to the London Wetlands centre. The children observed the otters, had fun during a wobbly trip across a bridge and found some marvellous minibeasts during a pond dipping session. To end the day the children explored the playground; climbing, balancing, swinging and running. A fun day for both children and adults!

Chessington World of Adventures

We went to Chessington World of Adventures on Wednesday 10th June. We had a great time as we faced our fears on many rides. Although they were scary, we had lots of fun. We arrived at 10am

with good weather and began our adventure. First we went on Vampire which was a quick and fun ride. We then went on the Gruffalo, it was calm and showed us the story of the Gruffalo and Mouse. We then explored the rest of the park, going on as many rides as we could before finishing our day at the new Paw Patrol Land. We had a wonderful day. Thank you very much to the Rotary Club for funding the trip!
